Hands in pockets  
His wallet's a weapon  
Corporation hit man  
Nothin's left when he's done

They come from Phomh Penh  
Got seven children  
What's the difference  
He'll just evict them  
No need to trick them  
Just a victim

He don't know the family  
He don't need no reason  
He just play the game of buy and sell  
People don't concern him  
Money is what drives him  
Why should he be bothered by them hell?

Waitin' on sundown  
They get the lowdown  
I don't want you in my town

No way to hold out  
Just bought and sold out  
Down the river  
No one to turn to  
Their home went to  
The highest bidder

Waitin' on sundown  
It's the story of Uptown  
Another refugee rundown  
There is gonna be a shutdown!
