This can't be true.  
You told me nothing would happen.  
You told me that you would come back.  
That's what you promised.

Without a sign death is by your side.  
Can you wait for me, I'm coming to you.

Tell me why, have you left, without me, tell me why?  
You died without a sign.  
Why can't you tell me why?  
You died without a sign.  
Why can't you tell?

In my mind you could never die.  
In my eyes you were immortal.  
That's what I believed in.

I hate the feeling of loneliness I have.  
I fucking hate it the more I think of it.

Tell me why, have you left, without me, tell me why?  
You died without a sign.  
Why can't you tell me why?  
You died without a sign.  
Why can't you tell?

Since your life is over, I'll never be, I'll never be sane.

Tell me how can I resurrect your corpse?  
Tell me what do I have to do?  
I would kill just to bring you back.  
Is that's what I need to do?

I feel so angry not being by your side.  
I feel so empty without you by my side.

Tell me why, have you left, without me, tell me why?  
You died without a sign.  
Why can't you tell me why?  
You died without a sign.  
Why can't you tell?
