What's that I feel? What's that I hear?

My blood is boiling to get it out.

Aaahhh!

It's burning inside.

It's taking me whole.

It's making me mad to get out.

I can feel it moving inside of me.

I can hear it screaming inside my head.

It's controlling me since I can remember.

It's part of me since the beginning.

My heart is bleeding to get it out.

Aaahhh!

It's bleeding inside.

It's burning me whole.

It's making me mad to get out.

I can feel it moving inside of me.

I can hear it screaming inside my head.

It's taking possession of my flesh and bones.

It's making me scream to insanity and back.

I didn't choose it.

It will be there.

I'll never lose it.

As long as I live. As long as I live

My body is ripping apart to get it out.

Aaahhh!

It's hurting inside.

It's ripping me whole.

It's making me mad to get out.

I can feel it moving inside of me.

I can hear it screaming inside my head.
