Check your rearview and make sure  
there's no cops within view  
And then don't stop  
There's pedal to the right, push it floor  
Get a jammer so the speed won't clock  
Fuck the cops, this system sucks  
Vicki Kohaulis can suck my balls  
That bitch is sick  
Testimony that she won't forget  
She sides with the pig  
Didn't do a thing  
When you looked me over  
Still ain't did shit  
But you pull me over  
Wrong place, wrong time  
Don't confuse it  
Give a dick a badge  
And they'll abuse it  
Pull me over so you can show  
How tuff you are  
In your bad boy cop car

You're a rebel from high school  
What better way to rebel  
then making my life a living hell  
You think you're hot  
But you're really not  
You're just a hillbilly  
Red neck mother fucking jock  
Didn't do a thing  
When you looked me over  
Still ain't did shit  
But you pull me over  
Wrong place, wrong time  
Don't confuse it  
Give a dick a badge  
And they'll abuse it  
Three cops, to write a bogus ticket  
Grab a hold of my dick and lick it  
Lick it and like it  
And love it and suck it  
Most of these cops are fucking useless  
They'll pull you over with lame excuses  
Need evidence but they can't produce it  
But the judge don't care  
You have hair  
Pokin' out everywhere

Didn't do a thing  
When you looked me over  
Still ain't did shit  
But you pull me over  
Wrong place, wrong time  
Don't confuse it  
Give a dick a badge  
And they'll abuse it  
Didn't do a thing  
When you looked me over  
Still ain't did shit  
But you pull me over  
Wrong place, wrong time  
Don't confuse it  
Give a dick a badge  
And they'll abuse it
