Get outta the way honkey.  
Get out of the way.  
Get outta the way honkey.

Cracker, I got a red-ass for you to suck.  
Ghetto bitch, no education.  
Ignorant, screaming the bullshit.  
Honkey's in the way so honk your horn.  
Causing a scene you're seen as obscene.

Nothin' but a bitch, nothing but an idiot, nothin' but a  
bitch, nothing but a...  
Nothin' but a bitch, nothing but an idiot, nothin' but a  
bitch, nothing but a...

Never seen anything quite like me, but I'm white, so  
you want to fight with me.  
Fuck, you wat to get around but you're stuck.  
So honk your horn, you fucking whore!

Ain't gonna do shit, still never learn.  
You're an ignorant piece of shit, stupid, fucking, idiot.  
Never gonna get anywhere, go anywhere.  
Cause you're dumb and don't nobody care.
