Put the cards on the table  
tell me where you've been  
I've been calling for ages  
you're never in

been awake till the morning  
waiting by the phone  
it ain't right to ignore me  
i hate to be alone

CHOURS:

All that i see  
is a storm and it's coming right at me  
all that i see  
the tears in my eyes when you cry  
why do i feel  
like i do if there's no need to worry  
say it's OK  
make me see cause i think i've gone blind

put the cards on the table  
tell it to my face  
no more lies, no more stories  
better leave with grace

once we were 'wake until sunrise  
oh those times i miss  
put your lips to my fingers  
i'm craving for your kiss

CHOURS

the cards on the table  
tells me where you've been  
i've been sorry for ages  
you're never in

CHOURS x2

put the cards on the table...
