I feel so alone
When the lights go down
When the roaring crowd has gone
Walking off the stage
The show is finally over
My strength is strained
My will is gone
I lay down on the empty bed
Restless thoughts run through my head
Is it worth all this loneliness
For just one moment of bliss?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel alone?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel alone?
The silence is so loud
I'm lost within without you now
Another hotell, another town
Captured in a spell
That never can be broken
It's standing on this stage
That makes me carry on
I rest my empty head
Remember the crowd
And what you did
Giving me back the strength to give my all
My all
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel so alone?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel so alone?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel so alone?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel so alone?
I gave you all I had tonight
All, except my soul
Do you think it's strange I feel so alone?
I feel so alone

When the lights go down
When the roaring crowd has gone...
