All I know
Once again
Proves to fail me

All you are
Once again
Captivates

This majesty I behold
Is echoing through my soul
Oh Christ Divine
Hallelujah

Mystery ever living within me
Holiness bringing me to my knees

This majesty I behold
Is echoing through my soul
Oh Christ Divine
Hallelujah

Hallelujah
Hallelujah

This majesty I behold
Is echoing through my soul
Oh Christ Divine
Hallelujah

This majesty I behold
Is echoing through my soul
Oh Christ Divine
Hallelujah
