hello friend, looks like you made it  
well, how does it feel?  
all the praise and the attention  
and you keep it all real, yeah  
and while we're at it, thanks for the mention  
you asshole Lenman

have another drink  
take those boxing gloves off  
tame that temper  
you getting such a bother  
you're like my mother

hope he don't forget who his friends are  
seen him lately?  
and i knew him when he was nothing  
and i think he owes me  
well yeah, we havn't talked in years  
and i'm oh so angry

have another drink  
take those boxing gloves off  
tame that temper  
you getting such a bother  
you're like my mother

cause you're so pretty and i'm so stupid  
yeah, you're so pretty and i'm so stupid  
yeah, you're so pretty and i'm so stupid  
yeah, you're so pretty and i'm so stupid

before all this madness  
i had a plan  
i dreamed i would buy us  
a plot of land

where you and me could rest our bones  
a place where we can both call home  
you and me could rest our bones  
a place where we can both call home

you and me could rest our bones  
a place where we can both call home  
you and me could rest our bones  
a place where we can both call home

you and me could rest our bones  
a place where we can both call home  
you and me could rest our bones  
a place where we can both call home

you and me  
you and me

you and me  
you and me  
you and me  
you and me
