There's something in my head that I've wanted to say,
When some of these ideas, they won't go away,
And all of my demons, they come out to play,
I wish I had more control of myself because...

I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,

Don't ask me what I think of science and art,
I've got all these questions locked up in my heart,
There's too much to do and I don't know where to start,
Just wish that I had more control of myself because...

I've had enough of getting drunk, yeah,

I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,

I know sometimes it seems like I got it going on,
I don't, you wouldn't believe, and oh,
Sometimes my dreams are so far-fetched,
That I cannot begin to conceive a way out,
Lyrics

Yeah,
Yeah, a way out,

It's a waste of my time,
It's a waste of my mind,

It's a waste of my time,
It's a waste of my mind,

I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,
I've had enough of getting drunk, yeah,
