wear something red and sexy  
so i won't know it's you  
it's been so long that i have  
forgotten what to do  
do i pick up the whole bill?  
or split between the two  
how will you ever see my scars?

tourettes is a disease  
it makes you tell the truth  
i have contracted it  
in the last days of my youth

what about those missing fingers  
think they've made lesser man  
grip hold of casted metal  
lets suck on our champagne  
if i become a cripple, what use will i be then?  
i cannot even play guitar

tourettes four letter words  
like life and love and lust  
and at the base of it, a thick layer of trust  
your wounded heart will heal, if you don't let it rust  
so love

and a little later  
all of my thoughts  
are lost in the cross fire  
and I'm tied in knots

crossed my heart for you  
but I got it all confused  
what's a boy to do  
find it hard  
must be hard for you  
must it hard  
must be hard  
i said it's hard  
must be hard

so much for that  
so much for that  
so much for that  
so much for that  
so...  
so...  
so...  
i'll let you go  
i'll let you go  
i'll let you go  
i'll let you go  
i'll let you go  
i'll let you go
