I got the situation under control  
A little rubber and whole lot of soul  
I see the girl who knows it's all rock and roll  
And she'll be cryin before it's over  
And the word on everyones lips is "oxygen"  
And before i catch my breath it's time do drink and  
dance again  
I like to hustle with the best of them all  
From 54 right to the ugly bug ball  
I party hardy marty fit till i fall  
I guesse i'll see you when it's all over  
I got some action and i'm ready to go  
I gota girlfrien but she dnt gotta know  
I'll take you down with me right after the show  
And she'll be cryin before it's over  
And the word on everybody's lips is "oxygen"  
And before i catch my breath it's time to drink and  
dance again  
And no mistake you'll meet somebody new  
They make the break it doesn't matter who  
Stay awake is all i ever do... i'm watching you  
And the word on everybody's lips is "oxygen"  
And beforei catch my breath it's time to drink and  
dance again  
All of a sudden it feels like you are in love again and  
Everything is outta sight  
But the party will break your heart tonight
