these war of words are pointless  
nothing gets accomplished, no  
to see you bent and broken  
you'd think i like it

but i don't  
it digusts me  
that i can be  
so pretty and so weak

yeah, you're sorry  
everyones always so sorry  
yeah

and i thought i heard you say  
"to loose is not ok, win is the only way"  
guess what i did with my day  
well, i failed

despite my reservations  
i think it's time that we met, we met  
and all these complications  
(and all these complications)  
yeah they make me something i'm not

(this is a war)  
you're kitten as a cat  
i know where it's at  
yeah this is where it's at  
yeah

yeah you're sorry  
everyone is always so sorry  
yeah

and i thought i saw you stray  
but i love you anyway  
and i'd like us to be forever  
that's what i tried to say  
but it got stuck in my throat

and words are missing  
words are missing  
words are missing  
words are missing  
stuck in my throat

now that i know it could only be you  
i try to speak out  
but the words are missing  
words are missing
