I see the stars safe in your arms.
I don't want to be your enemy
And im screaming, 'tell me it's alright, tell me it's all
good, tell me im ok, it doesnt't't matter'
And it's just like cyndi said 'until the end, there is no
end'
Oh, damn it all!
Tell me it's alright. tell me it's all good. tell me im ok. it
doesnt't't matter, anyway.
So dry off your eyes and smother me with the wet cloth.
hold me because you have to.
(you have to) 'breathe'...
Tell me it's alright. tell me it's all good. tell me im ok. it
doesnt't't matter, anyway.
