"All For You"

Visit "[All For You](#)" on MotoLyrics.com

You surround me with singing
You restore me in Your grace again
I'm alive in You

You are faithful, Saviour
You are holy
And my trust is in the power of Your name

You remember mercy
You are near me
I have life again
Now I belong to You

I will lift my hands
I will lift my voice
All for You
All for You

Take up my cross
I surrender
All for You
All for You

Your Kingdom, Is rising
Use me I pray
Your Kingdom, Is rising
Use me I pray
