Don't wanna talk about love, Baby - oh
Boy I know
What you got on that mind
That's alright
Don't you know, it's on mine too
Don't worry lover
I'm more than aware
You're in no hurry
My hands are already there
Don't wanna talk about love
Just give it to me baby
Don't wanna talk about love
Don't wanna talk about love
We'll just slip into it baby
Cuz I know what you're thinking
I know - what you want
Don't wanna talk about love
Boy I see
You got something good for me
I'll be (..)
Won't talk to - snakes by trees
Don't worry lover
I'm more than aware
You're in no hurry
My hands are already there
Don't wanna talk about love
Just give it to me baby
Don't wanna talk about love
Don't wanna talk about love
Just slip into me baby
Don't wanna talk about love
Cuz I know - what you're thinking
I know - what you want
Don't wanna talk about love
I don't wanna break you
I'll never make you cry
I'm physically incapable
Of ever bringing you harm
Have you ever had an emotion ?
So strong you just can't deal ?
Lover can't you see this is real
