I prepared to love you seven ways ( via 7 orifices )  
Gave you all my trust  
Why'd you change?  
Who's gonna call ya ?  
I was gonna call ya at  
939-4 huh - I forgot  
Cuz then I saw ya  
Kissin' up some mother  
What a shame - what a shame  
And now you're  
Right back down to the  
Middla my heart  
You're going  
Right back down to the - huh  
Middla my heart  
Right back to the  
Middle of my heart  
I prepared to touch you  
Every place  
Planned to open up  
Let you taste  
Who's gonna call ya ?  
I was gonna call ya at  
939-4 huh - some other time,  
Would love to chat but babe  
I gotta get my other line - my other line  
Bye - bye  
And now you're  
Right back down to the  
Middla my heart  
You're going  
Right back down to the - huh  
Middla my heart  
Right back to the  
Middle of my heart  
You thought you could betray me  
And still be my man  
Go play in their garden of Eden  
And still have my Promised Land  
No way  
Baby how'd you get my number?  
So tell me how you got my number?

Oh brother how'd you get my number  
Middla my heart
