My only mate
My only one
My only
My only mate
My only love
My only

There was a time that a long ago
I only have myself
I wasn't lonely
I dance alone
And there was no one else
Share the stars with me to day

And I have me
Only mate was only in my dreams

Only mate
Only world
My only
My only mate
My only love
My only

Soon
Marry kiss
And the feels will be
That no mine
You're for me forever
