Did you ever used to dream about me?  
Don't you miss how we used to walk in the rain ?  
Did you ever even care about me ?  
Did you know I'd never be the same?  
Answer me  
Yes, I always used to dream about you  
Even though I found it hard to sleep  
Look at us back here again  
Only fools burn twice, but the fire's been started  
And though it might not've seemed like it then  
I loved you more than you ever did love me  
That's not true - I swear it's not true  
I loved you more then you ever did love me  
We're both guilty  
Promise me you'll stay tomorrow  
Promise me you'll stay tonight  
Promise me you'll never leave me  
For the rest of both our lives  
Promise me you'll stay tomorrow  
Promise me you'll stay tonight  
I forgive you  
Boy, you always had a need about you  
Even though you thought it wasn't that  
And I actually used to lie about you  
Saying that I'd never want you back  
Should we go home it's getting late  
Promise me you'll stay tomorrow  
Promise me you'll stay tonight  
Promise me you'll never leave me  
For the rest of both our lives  
Promise me you'll stay tomorrow  
Promise me you'll stay tonight
