Dream

We dream for love to come

We don't know who but still we dream we do

Pray

We pray someone will come

We don't know who but still we pray we do

If you see me on the way

Just smile as you walk on by

If you see me on the way

You'll know that I gave love a try

You're the only one to say to me in all my life

Welcome to love

Welcome to love

Welcome to love

Now go home

You

Staring back at me

Doing your best not to look guilty

Yeah you

Looking me in the eye

Saying we're not compatible - that's a lie

Oh my baby
