Been thinking about my intuitions
Been thinking of a way to face them
How it makes me feel
How it makes me feel
Been thinking of you this moment
Been thinking of a way to solve that
How it makes me feel
How it makes me feel

Digging my grave
Driving my broken heart to the ground

oh oh you run away
oh oh don't hide away
oh oh another castaway
True love waits, I have to get out of here
Â...run away from here
Doing those things that you do
Saying those words that you use
How it makes me feel
How it makes me feel
Doing time for timely actions
Doing time for word retractions
How it makes me feel
How it makes me feel

You run
(so far away)
So far away from hereÂ...
Â...and the truth. And the truth.
