I can't deny it, I fucking like it.  
It brings on confidence and courage that I lost.  
I turn into it, it helps me through it, until I lie awake and  
contemplate it all.

You can't break me.  
Taking hold of it all.  
I've finally gone straight down.  
I can't deny it, I lie and loathe.  
I've finally gone straight down.  
I can't deny it, I lie and loathe.

I know I hate you, I can't escape you.  
You bring me emptiness and nothing I've become.  
I can't resist it, I wouldn't miss it.  
It's finally coming out, the darkness and the cold.

You can't break me.  
Taking hold of it all.  
I've finally gone straight down.  
I can't deny it, I lie and loathe.  
I've finally gone straight down.  
I can't deny it, I lie and loathe.

Loathe, you fucking loathe.  
You fucking loathe.  
Loathe, you fucking loathe.  
You fucking loathe.  
You fucking loathe.

Loathe.

I've finally gone straight down.  
I can't deny it, I lie and loathe.  
I've finally gone straight down.  
I can't deny it, I lie and loathe.

You fucking loathe.  
You fucking loathe.  
You fucking loathe.
