Here the sunrise is black

And there is nothing strange in this

When my eyes are dead

I can't see the real things

Evil can't be good

And good always wins

Where is the truth

This is not the truth

[Chorus:]

There is no light I can see

There is no path I can walk

How can I live in this hell

It's a life without sense

Now I've lost everything

I'm dead but I live

All I want is the End

The Sunrise is black [x2]

I'm standing on the edge

Trying to find my last hope

I have lost the will to live

Now I'm tired and I know:

The sunrise... is black

The Sunrise is black [x2]

[Chorus]

Now I look into the eyes of the dead

Without fear in my heart

I know that she never lies to me, never... never!

[Chorus]
