I'm so confused now
Everything is helter-skelter
Rain pours through my feelings
People are going crazy
Nature is feeling fear
What about my personal life
Hey god show me the way
To the real satisfaction

[Chorus:]

The hopes are growing fast
Future looks so bright
My faith is fresh again
The light is here now

It's five o'clock in the morning
My breath can't breathe now
My body's in a shock
Life's bottle is disgusting

I'm so confused now
The down is breaking over
The confusion is crashing
It's a new kind of religion

[Chorus]

Hey Lord show me the way
To the real satisfaction
Give me a golden chance once again
I look for the reason of human suicide
It's turning into a religion

I'm so confused now
Everything is helter-skelter
Rain pours through my feelings
People are going crazy
Nature is feeling fear
What about my personal life
Hey Lord show me the way
To a new kind of religion

[Chorus]
