How you gonna explain this one?  
Whatever would you say to your friends?  
Nobody's gonna rewind this one  
Because there's no easy way of making amends

However did they justify this one?  
I wonder if it's money to home  
Because the political official might have fiddled it a  
little slow  
But unfortunately nobody knows

Are you unaware?  
Could it been that you don't care?  
You can't just kick your heels and wish it away

Being in love is paramount  
Feeling love is paramount  
Feeling love is paramount  
Feeling love is paramount

Nothing fancy at his spot on  
They don't suppose what they wanna suppose  
Maybe he's a liar and there's no smoke without fire  
And I bet you swallowed it whole

Are you unaware?  
Could it be that you don't care?  
You can't just kick your heels and wish it away

Being in love is paramount  
Feeling love is paramount  
Feeling love is paramount  
Feeling love is paramount

Silence is talking  
Silence is talking  
Silence is talking  
Siiiiiiiiiiiiiiiiiiiiiiiiii

Silence is talking  
Silence is talking

Silence is talking  
Siiiiiiiiiiiiiiiiiiiiiii
