He controls her
You're not going out tonight
And then he holds her
Too tight
Oh did I mention?
That we could get a takeaway?
Cos it's convention
Oh they say

And we're gonna get a video
Cuddle on the sofa
All her mates are clubbing as she gets a little older
Nobody wants to be abandoned

Don't go Mum
The kids are crying on the stairs
I've got to go son
It's not fair
Make her stop Dad
And then he tries to make her wait
But he's so sad
It's too late

And then she slams the door
Kids are crying on the sofa
Mummy's telling lies understand it when you're older
Nobody wants to be abandoned

I don't wanna be left alone tonight
Don't wanna be a-alone tonight
Don't wanna feel all alone tonight

Since he passed on
Elizibeth tries to get about
She's the last one
No doubt
Oh and she does well
They say she's pushing 73
But you can tell
She's lonely

Looking at her wedding photo
Sitting on the sofa
Tears in her eyes
Reminiscing that she's older
Nobody wants to feel abandoned

I don't wanna be left alone tonight
Don't wanna be a-alone tonight
Don't wanna feel all alone tonight
I don't wanna be left alone tonight
Don't wanna be a-alone tonight
Don't wanna feel all alone tonight
