I got eyes in the back of my head
Your halo is turnin' red
Foolin' around, knockin' me off my cloud

They're talking about your mischievous ways
Boy, it's painted all over your face
Stealin' a kiss, mysterious whispers
A thorn in my pride, I'm still by your side but

One day I'm walking away
The tide is gonna turn, I'm gonna find my place
Give me a reason to stay
I want to be your lover, baby, but you can't behave

Remember the days and the Nashville nights
What happened to paradise?
Stolen away and I can't replace it now
'Cause rumors are flying that I can't avoid

Are they true or am I paranoid?
Livin' like this it's drivin' me crazy
So make up your mind
You're running out of time

One day I'm walking away
The tide is gonna turn, I'm gonna find my place
Give me a reason to stay
I want to be your lover, baby, but you can't behave

Ease all of my worries
Please don't make me play the fool
Baby, won't you hurry?
You don't know what you're gonna lose

'Cause one day I'm walking away
The tide is gonna turn, I'm gonna find my place
Give me a reason to stay
I want to be your lover, baby, but you can't behave

One day I'm walking away
The tide is gonna turn, I'm gonna find my place
Give me a reason to stay

I want to be your lover, baby, but you can't behave

Oh, baby, but you can't behave

Oh, baby, but you can't behave

Baby, you just can't behave
