You say you're doin' better  
For your sake I hope it's true  
I wish you well  
But that's all that I can do  
Save your I'm sorries  
Just leave 'em at the door  
You can't make me feel guilty anymore

*[Chorus:]*

You say I should stay with you  
That Jesus forgives you  
You pray I will but I won't  
The difference is Jesus loves you  
I don't

I know it sounds cruel  
And it's really not like me  
But you've put me in a place  
I never thought I'd be  
These tears that I'm cryin'  
Are just tears of goodbye

I hope you find someone else  
Somewhere in your life

*[Chorus:]*

You say I should stay with you  
That Jesus forgives you  
You pray I will but I won't  
The difference is Jesus loves you  
I don't

I don't wanna know you still want me  
Don't need to hear you can't sleep  
No I don't, no I don't

*[Chorus:]*

You say I should stay with you  
That Jesus forgives you  
You pray I will but I won't  
The difference is Jesus loves you  
I don't
