Oh Miss Brown, your ruby lipstick's gonna paint the town  
You say you're happy but your eyes let you down  
But why not have another one, regret it when tomorrow comes

Although you act the fool, i know you want a fella who doesn't treat you cruel  
To show the other mothers at the school  
That your not what they say you are, someone who will do anything

Oh for love of Miss Brown  
Oh for love of Miss Brown  
Oh for love of Miss Brown  
I'd do it all for the love of Miss Brown

I'd love to sleep tonight  
But i'm not one for overstaying my invite  
I won't be creeping out the backdoor when it's nearly light  
It's alright when you're bladdered you'll regret it when tomorrow comes

Always a man to blame  
I bet you'd start a fire counting you're old flames  
You say you've never met a good un cos we're all the same  
Cos some of us are different I know someone who will do anything

Oh for love of Miss Brown  
Oh for love of Miss Brown  
Oh for love of Miss Brown  
I'd do it all for the love of Miss Brown

I bet that your son's got more uncles than most  
Who is this strange man eating frosties and toast  
Bet that your son's got more uncles than most  
Introductions at breakfast for frosties and toast

Oh for love of Miss Brown

Oh for love of Miss Brown  
Oh for love of Miss Brown  
I'd do it all for the love of Miss Brown
