He controls her  
You're not going out tonight  
And then he holds her  
Too tight  
Oh did I mention?  
That we could get a takeaway?  
Cos it's convention  
Oh they say

And we're gonna get a video  
Cuddle on the sofa  
All her mates are clubbing as she gets a little older  
Nobody wants to be abandoned

Don't go Mum  
The kids are crying on the stairs  
I've got to go son  
It's not fair  
Make her stop Dad  
And then he tries to make her wait  
But he's so sad  
It's too late

And then she slams the door  
Kids are crying on the sofa  
Mummy's telling lies understand it when you're older  
Nobody wants to be abandoned

I don't wanna be left alone tonight  
Don't wanna be a-alone tonight  
Don't wanna feel all alone tonight

Since he passed on  
Elizibeth tries to get about  
She's the last one  
No doubt  
Oh and she does well  
They say she's pushing 73  
But you can tell  
She's lonely

Looking at her wedding photo  
Sitting on the sofa  
Tears in her eyes  
Reminiscing that she's older  
Nobody wants to feel abandoned

I don't wanna be left alone tonight  
Don't wanna be a-alone tonight  
Don't wanna feel all alone tonight  
I don't wanna be left alone tonight  
Don't wanna be a-alone tonight  
Don't wanna feel all alone tonight
