TJ don't want no less  
Can't think, can't talk, must process  
No practice, no sample  
Must earn, must learn, must trample

And don't forget you can get off the conveyor  
And don't forget you can get off the conveyor  
And when you want you can get off the conveyor  
And when you want you can get out...

And don't forget you can get off the conveyor  
And don't forget you can get off the conveyor  
And when you want you can get off the conveyor  
And when you want you can get out of the machine

TJ don't want no less  
Can't think, can't talk, must process  
No choice, no prospectus  
More money you must respect us

And don't forget you can get off the conveyor  
And don't forget you can get off the conveyor  
And when you want you can get off the conveyor  
And when you want you can get out...

And don't forget you can get off the conveyor  
And don't forget you can get off the conveyor  
And when you want you can get off the conveyor  
And when you want you can get out of the machine

Get born, get stupid  
Get born, get stupid  
Get born, get stupid  
Get born, get stupid  
Get born, get stupid  
Get born, get stupid  
Get born, get stupid  
Get born, get stupid

Don't forget you can get off the conveyor  
Don't forget you can get off the conveyor  
When you want you can get off the conveyor

When you want you can get out...

Don't forget you can get off the conveyor  
Don't forget you can get off the conveyor  
When you want you can get off the conveyor  
When you want you can get out...

Don't forget you can get off the conveyor  
Don't forget you can get off the conveyor  
When you want you can get off the conveyor  
When you want you can get out
