'I try so hard to make things happen
I try to force the issue till it breaks in two!'

Ain't gonna happen woo! That's what you said
And I swear I won't forget that dumb remark until I'm
dead
It's gonna happen woo! and I'll be here too
When everyone is askin' what the hell ever happened to
you
And I'll see you're back like the SAS
With a special plan, I'll be droppin in like Spiderman
Tryin' so hard, as hard as I can, try so hard, so hard
yea!
Aint gonna happen woo!

'I try so hard to make things right
I just screw things up but what can one man do?
Alot, yea alot!'

It's gonna happen woo! That's what I say
Maybe not tomorrow or in months of years and days
It's gonna happen woo! I'll just stick it out
Many people gab without really knowin' what they're
talkin' about
But I don't need that I'm gonna do what it takes
Sure I'm gonna make a few mistakes someone will sure
come awake/our way?
We'll get to see the entire place flee out! (?)
Ain't gonna happen woo! (go!)

'I try so damn hard and it doesn't always work out
But it's the journey, not the arrival, that's what I'm, I'm
all about!

Aint gonna happen woo! That's what you said
And I swear I won't forget that dumb remark until I'm
dead
It's gonna happen woo! When it comes to light
Times like this we'll venge and we don't have to fist
fight
Still means I might I've been pushin' hard

And I'm pullin a load up a hill where there aint no road
An inch at a time and that means alot
Now all I gotta do is play connect the dots
Flee out! (Bleed out? Clean out? Get out?)

Aint gonna happen (woo!)
Aint gonna happen, Aint gonna happen (woo!)
Aint gonna happen! Aint gonna happen!
Aint gonna happenâ€¦
