Frosty the snowman was a jolly happy soul
With a corn cop pipe and a button nose
And two eyes made out of coal

Frosty the snowman is a fairy tale they say
He was made of snow
But the children know how he came to life one day

There must have been some magic in
That ol' silk cap they found
When they placed it on his head
He began to dance around

Oh, Frosty the snowman was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Thumpety thump thump
Thumpety thump thump
Look at Frosty go

Thumpety thump thump
Thumpety thump thump
Over the hills of snow

Frosty the snowman knew the sun was hot that day
So he said, "Let's run and we'll have some fun
Now before I melt away"

Down to the village with a broom stick in his hand
Running here and there all around the square
Saying, "Catch me if you can"

He led them down the streets of town
Right to the traffic cop
He only paused a moment when he heard him holler
"Stop"

But Frosty the snowman
Had to hurry on his way
But he waved goodbye saying, "Don't you cry
I'll be back again some day"

Thumpety thump thump
Thumpety thump thump
Look at Frosty go

Thumpety thump thump
Thumpety thump thump
Over the hills of snow
