(Whooaa..alright)

As your promises to me  
Slowly flowed out to sea (Go!)  
Go with your friends  
As my heart slowly heals  
It's easier to feel like you should go(Go!)  
Go with your friends

Go! Go with your friends  
Go! Go with your friends

All your friends they seem so nice  
You seem to share a common vice (Go!)  
Go with your friends

(alright!)

It's funny looking back  
I could have read you like the almanac (Go!)  
Go with your friends  
Chalk one up and go to school  
I traded love for the game of pool (Go!)  
Go with your friends

Go! Go with your friends  
Go! Go with your friends

I'll just go and get a room  
At lucky A hotel of doom?  
Go! Go with your friends

Maybe this loneliness is good for me  
I'll have some time to think and get things done  
But don't have any doubt while you're wild and about  
I'm gonna be out too having fun

GO! (kickin' solo)

Maybe this loneliness is good for me  
I'll have some time to think and get things done

But don't have any doubt while you're wild and about  
I'm gonna be out too having fun

Go! Go with your friends  
Go! Go with your friends

I'll just go and get a room  
You'll board the A hotel of doom?  
Go! Go with your friends

Go! Go with your friends  
Go! Go with your friends

I've played the clown a time or two  
Someday they may make fun of you

Go! Go with your friends GO!
