Goodbye Mr. Evening...
Hello Mr. Night...
Hello Mrs. Darkness,
You make me feel all right.

Somewhere there's a purpose,
Something better for me...
'Til then Mrs. Darkness,
You're all that I can see...

(heh heh heh... yeah!)
(heh heh heh... yeah!)
You're all that I can see...
(yeah!)

Goodbye Mr. Evening...
Hello Mr. Night...
Hello Mrs. Darkness...

Goodbye Mr. Evenin'!
Hello Mr. Night!
Hello Mrs. Darkness,

You make me feel all right.

Somewhere there's a purpose,
Something better for me...
'Til then Mrs. Darkness,
You're all that I can see...
You're all that I can see...

(heh heh heh... yeah!)
You're all that I can see
Well hello Mrs. Darkness...
(ahhh, heh heh heh... yeah!)
Well hello Mrs. Darkness...
(heh heh heh... yeah!)
