Hello walls  
How'd things go for you today?  
Don't you miss her  
Since she up and walked away?  
Well, I bet you dread to spend  
Another lonely night with me  
But, lonely walls, I'll keep you company  
Hello window  
Well, I see that you're still here  
Aren't you lonely?  
Since our darling disappeared?  
Well, look here, is that a teardrop  
In the corner of your pane?  
Now, don't you try to tell me that it's rain  
She went away  
And left us all alone  
The way she planned  
Guess we'll have to learn to get along  
Without her if we can  
Hello ceiling  
I'm gonna stare at you a while  
You know I can't sleep  
So won't you bear with me awhile  
We gotta all stick together  
Or else I'll lose my mind  
I've got a feelin'  
She'll be gone a long, long time  
Hello walls  
How'd things go for you today  
Don't you miss her  
Since she up and walked away  
Well I bet you dread to spend  
Another lonely night with me  
But, lonely walls, I'll keep you company
