Say my hearts full of lust,
Say my brains goin' bad,
You got your toy you got to use it use it use it,
Cause you're drivin' me mad.

I really wanna,
Wanna see ya,
Do it to yourself
Right now whoa!

Come on and work it baby,
It's just me,
It's not that most don't know how

I said do it do it do it one time for me
Yeah I said do it do it do it so I can see.

I know when you're alone,
And you're sure no one is there,
You got desire saying pump it pump it pump it pump it
'till you cum everywhere yeah!

Say you don't do it,
I know you do,
You can't tell me you can't no no whoa!
You know I love you baby,
Let's have fun,

Come on and give me a show

I said do it do it do it one time for me
Yeah I said do it do it do it so I can see.

Yeah you do that real good,
I've never seen you so bad,
I just got to try to free ya free ya free ya free ya
Give you the best that you've had yeah!

I really wanna, wanna see ya, wanna see you explode
right now whoa!
Come on and work it baby,
Churn that butter honey,

You're gonna get it and how!

I said do it do it do it one time for me
Yeah I said do it do it do it so I can see.

Yeah!
