"Remember Me"

please remember me
when the sun goes down
when the moon is round
remember me
please remember me
when the last call rings
when the fat lady sings
remember me (x20)
oh, remember me
please remember me
when the patrons last
thats my habitat
remember me (x20)
oh, remember me
please remember me
when I'm dust and ash
with a final simple crash
remember me (x20)
oh, remember me
