whenever you are lonesome and it's late at night and
everyone around you is a little uptight
whenever you need, you need a little lift Jimbo is the
man, the man with the gift
when murky water stands in your above ground pool
and some evil thing is living in your barn
when it's four AM and you're all alone and no one really
gives a golly gosh darn
when the devil makes you look at those evil red lips
and you wish they were kissin' on you
remember that you have got a friend and he's got a
friend in you

Can I get a hallelu? -Hallelujah!

you've got a friend in Jimbo, you've got a friend in him
the biblical name for him is James, the nickname for
James is Jim
the nickname for Jim is Jimbo, what very very special
things he'll do
yeah you've got a friend in Jimbo, if he's got a friend in
you

what a special friend he's been to you your trailer is... is
double wide
you'll always have plenty of soup from the can with
Jimbo by your side
and when you walk into the darkness with Jimbo (beer
in hand)
he'll lead you like a little lamb to deer park Texas land

Oh!

you've got a friend in Jimbo, you've got a friend in him
the biblical name for him is James, the nickname for
James is Jim
the nickname for Jim is Jimbo, what very very special
things he'll do
yeah you've got a friend in Jimbo, if he's got a friend in
you

[instrumental]

Oh!

you've got a friend in Jimbo you've got a friend for life
you've got a shoulder to cry on if you've just lost your
boyfriend or your wife.

So! you got a friend in Jimbo and he's got a friendly
beer to lend

when troubles just won't end and you've been forced to
bend you

maybe feel like you're in limbo but you've got a friend
in Jimbo

maybe feel like you're in limbo but you've got a friend
in Jimbo

maybe feel like you're in limbo but you've got a friend
in Jimbo

maybe feel like you're in limbo but you've got a friend
in Jimbo

STOP!

hold on just one second don't get caught in the devil's
runaround

cause it just goes and it goes and it goes and it goes...

Hey! look up there there's a light shining down from
above

and it's saying something, do you know what it says? -
what does it say?

it says you, you need, you need you need you need you
need you need

a special friend until the end it says you need you need
you need you need a friend

until the end a special friend it says you neeeeeed
you need a friend until the end you need you need you
need you need a friend

you need a friend until the end

you need you need you need you need you need you
need you need you need

you need you need you need you need you need you
need you need you need you

STOP!

you've got a friend in Jimbo you've got a friend in him
the biblical name for him is James the nickname for
James is Jim.

Oh!

the nickname for Jim is Jimbo and he's your very very
special friend.

yeah you've got a friend in Jimbo and he's got a beer to
lend a friend.
