What day is it today?
Feels like a Monday... yeah
And things are awfully strange
When the streetlights are on at noon
And the day is somehow led by a full moon

As curious as it seems
As curious as it seems... yeah
I still smile while enjoying the scene

What is everyone gonna do?
When everyone has to choose?
Soon... I'll rip the universe in two
One for me and one for you

What day is it today?
Feels much like Sunday... yeah, yeah
And everyone is kinda lazy when it's time to fix a lady
But it's not the end of the beginning... maybe

You'll warn these fantastic toys
Leave these boys sadly unemployed

And...

What is everyone gonna do?
When everyone has to choose?
Soon... I'll rip the universe in two
One for me and one for you

-Refrain-

Oh...
Oh...
These fantastic toys
Leave these boys
Sadly unemployed (3x)

Sadly unemployed(3x)
