When the alarm wakes me from my dreams
I seem to lose all that compliments your silhouette
As I fall through these airy clouds
Hearing the quiet themes of my avenue

Oh, it's for the morning A.M.
Oh, it's for the morning A.M.

Could it be eight hours are not enough?
'Cause when I'm awake all is actually asleep
As I watch the traffic pass as I sleepwalk
Avoiding headlights and signs of the morning sun

Oh, it's for the morning A.M.
Oh, it's for the morning A.M.

So...

Say hello to the A.M.
The very early, old A.M.

Say hello...
To the A.M.
When all I wanna do is rest my eyes

Da-da-dum-da...
Whoa...

Oh, it's for the morning, A.M.
Oh, it's for the morning, A.M.

So...

Say hello to the A.M.
The very early, old, A.M.

Say hello...
To the A.M.
When all I wanna do is rest my eyes--

Say goodbye to the A.M.

The very early, old A.M.

Say goodbye...
To the A.M.

Say goodbye
Hello to night
Goodbye to A.M.
