"More Than This"

Visit "[More Than This](#)" on MotoLyrics.com

Do you know, do you remember
The day you made your mind
The day you sold your faith for something more
Do you know, what you did
When you threw it all away
When you turned another page

Please don't give up on me right now
Please don't ignore my voice again
Please don't forget who you are

And everything you said that you would be
'Cuz your sins become the nails they put in me
Did you know you left a broken heart in me
Why can't we be more than this?

Do you know, can you remember
When you gave yourself away
When you thought your sin would stay
And I know that you lied
I can see it in your eyes
I can feel it in your heart

So open up your eyes
And see the emptiness inside of you
And open up your heart
I'll show you the answers you could not find
