When things are bad don't know what to do  
The answer is inside of you  
Reality hits so hard everyday  
Still there is so much you can do

Have faith in yourself, have faith in your life  
Cause everything will be okay  
Don't listen to them, don't listen to fools  
And things that they don't want to see

Worlds keeps turning  
While your heart is burning  
Don't surrender to despair  
Carry on

We are Heroes in the Night  
On our Way into the Fight  
We are Warriors of Light  
And our Hearts are pure

We will fly into the Rainbow  
Leave the worries far behind  
We just follow our hearts  
Cause we are Heroes  
Heroes of this Life
