New York, 1973, yeah
You said, this won't happen to me, yeah
Our man, he doesn't feel good,
When you've done all that you could
To help to make this crazy world calm down

So where'd the days go, I used to know
And where's the feeling in my soul?
Where'd the days go, I used to know
And where's the feeling in my soul?

She said, "It is all in your mind," yeah.
So now say, son,
Got to leave you behind, yeah
Our man, he doesn't feel right,
When all you do in the night
Is help to make this crazy world calm down
Ah Yeah!

So where'd the days go, I used to know.
Where's the feeling in my soul?
Where'd the days go, I used to know.
Where's the feeling in my soul?

I say!
Where'd the days go, I used to know,
And where's the feeling in my soul?
Where'd the days go, I used to know,
And where's the feeling in my soul?
