Hearts go astray
Leaving hurt when they go
I went away
Just when you needed me so

Filled with regret
I come back begging you
Forgive, forget
Where's the love we once knew

Open up your eyes
Then you'll realize
Here I stand with my
Everlasting love

Need you by my side
Girl to be my bride
You'll never be denied
Everlasting love

From the very start
Open up your heart
Be a lasting part of
Everlasting love

Where life's really flows
No one really knows
'Till someone's there to
Show the way to everlasting love

Like the sun it shines
Endlessly it shines
You always will be mine
It's eternal love

Whenever loves are gone
Ours will be strong
We'd have our very own
Everlasting love

Open up your eyes
Then you'll realize

Here I stand with my
Everlasting love

Need you by my side
Girl to be my bride
You'll never be denied
Everlasting love
