"Calling All Destroyers"

Visit "[Calling All Destroyers](#)" on [MotoLyrics.com](#)

Walking wild at midnight

Breathing like a panther

Holding hands with my love

Dancing like a master **

Calling all destroyers

Calling all destroyers yeah *

Shadow beach Burgandy

Get you high as lightning

Driving in your Porsche coupe

Don't marry Fanny Frightning

*Repeat

Mixing with the moon maids

Melting down her rainbow

King Kong, bang a gong

All around your boudoir

*Repeat

**Repeat

*Repeat x5
