Oh I wanna be your casual agent

I wanna be your casual agent \*

Casual agent moving by the sand

Cosmetic Betty stealing from the skull

Madonna dollar destroyed by the holy roof

I know to move my child to switch

Without your tooth

\*Repeat

Distorted contortionist barely

Saved his cool

As he rubberised Hannah by the 'lectric school

With the planetary pearl

And the magnetic fool who were

Both told and rolled to look alike

And welded to a stool

\*Repeat

Wind of illusion came darkly down my street

Lead were my eyelids, demented were my feet

And the two faced detector from the

Malibu beach, dejected like Delilah she

Sucked upon my perch

\*Repeat

All night worker for the missionary stand

I seldom drip glue, in the video grand

Tiger tongued tinse, see the old queens

Of the night, were stone cold stiletto-toed

Stone mama's alright

\*Repeat x4
