Dawn storm, o my dawn storm

I realise you're blue

Please babe, o don't squeeze babe

All that I say must be true \*\*\*

Baby I'm not crazy

A rush ain't no crush it's a trip

But learning on a journey

Ain't no month on the sunset strip \*

Times they are strange and I won't

Rearrange

No no no, not my love for you

Times they are strange and I won't

Rearrange

No no no, not my love for you \*\*\*

\*Repeat

\*\*Repeat

\*\*\*Repeat

\*\*Repeat twice
