A fool's lament is the wiseman's milkshake

I'm standing winding staircase, seven eagles long
Misty planet creature how could I kiss you wrong

The Poet wished upon a star
And dazzling bright is what you are
I'm a fool for you girl, I'm a fool for you girl
I'm a fool for you girl, I'm a fool for you girl *

Dripping dancing diving, lipstick of the brave
Sullen Garbo siren, your body's all I crave **

* Repeat
** Repeat
* Repeat

Hot baby I'm a fool for you
