Where did you go my little baby

Where did you go my little baby

Where did you go my little baby

From here, from here \*

Walking down the streets like a mad hatter

Lunacy's back but does it really matter

Watch out my man, my lady's coming

back to me \*\*\*

If your sting was like a bee

Would you die only for me

If you go across the sea

Would you come back to me \*\*\*

Deception dissolves like a mind rainbow

Sunset was dumped dark inside my bedroom

Barracuda blue, won't you give

my baby to me \*\*\*

\*Repeat

If you go across the sea

Would you come back to me

If your sting was like a bee

Would you die only for me

**\*\*Repeat**

**\*\*\*Repeat**

**\*\*\*\*Repeat**

Where did you go my little baby
